A Message from Jennifer McKelvie

Happy Canada Day, Ajax!

I am thrilled to wish you all the best for Canada's 159th birthday! Wherever you find yourself tomorrow, I hope you have the opportunity to reflect on your love of this great country.

Over the past year Canada has come together like never before, and I've never been prouder to be Canadian.

Because we are the true north, strong, and free.

Whether you join us at the Ajax Fairgrounds, make your way over to the Legion, celebrate at home with friends and family, or some combination of the three, I hope you have a wonderful and relaxing day.

It's one worth celebrating.

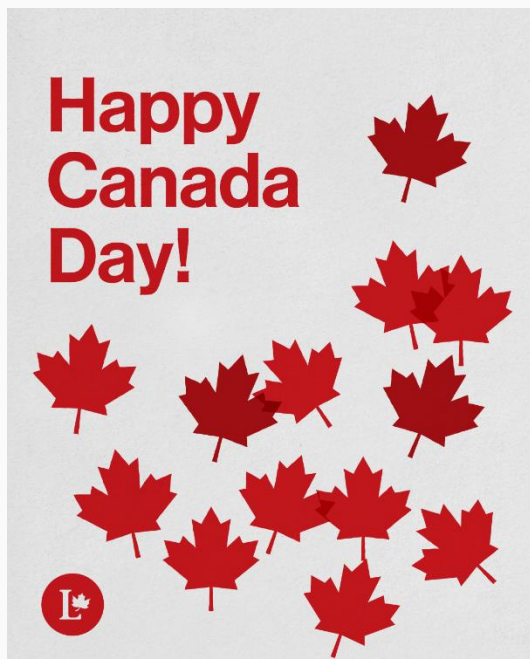

Once again, Happy Canada Day!

Jenn

PS: Canada plays Morocco in the World Cup this Saturday - I hope you'll be watching, because this team is making history!

Important News

Reminder: Applications to New Horizons for Seniors close July 14

Are you an organization that supports or empowers seniors? Do you have a program for older adults that would benefit from government funding to either launch or expand? The New Horizons for Seniors Program (NHSP) could be for you!

NHSP provides funding for projects that make a difference in the lives of seniors

and in their communities by promoting volunteerism among seniors and other generations, engaging seniors in the community through the mentoring of others, expanding awareness of elder abuse, and so much more.

Applications close on **July 14, 2026, at 3:00 p.m. Eastern Daylight Time.** You can learn more on the [NHSP web pages](#).

Organizations wishing to apply must submit their application through the [Grants and Contributions Online Services \(GCOS\)](#) portal.

If you've applied for NHSP before, there are some new important details for this intake:

- The maximum grant amount has risen to \$50,000 to enhance project impact and address inflation.
- A valid [Canada Revenue Agency Business number](#) is required to apply under the 2026-2027 call for proposals.
- The assessment criteria have changed, with additional points awarded to applications from organizations with a mandate or mission primarily focused on seniors.

Canada Post Community Mailbox Updates

Canada Post is modernizing its services by converting door-to-door delivery to community mailboxes in select neighbourhoods. The transition should be completed by the end of 2027. In Ajax, our affected neighbourhoods include postal codes beginning with L1N, L1S, L1T, L1V, L1X, L1W.

Canada Post will **continue** to offer home delivery for residents with functional limitations through a free Delivery Accommodation Program. If you are in need of delivery accommodation, you may call 1-844-454-3009 or visit canadapost.ca/accessibility.

As your Member of Parliament, I will ensure you are informed every step of the way as we navigate this service adjustment in Ajax.
